Americas Army 3 Beta Muy Pronto!!

America's Army 3 Beta Soon.

I'm proud to announce the beta for one of the Free to Play First-Person shooters is happening soon; Subscribers get the honored position of playing America's Army 3 first! Interested in what's new in the upcoming v3.0? This video covers unlocks, ballistics, Army Values and more:

The third edition of military simulation game, now rebuilt upon the next-generation Unreal Engine 3 system for unprecedented realism. In America's Army, players can explore and dominate challenges ranging from basic training to Special Forces Assessment and Selection to Special Forces Qualification Course. Keys will be very limited, so my suggestion would be to subscribe now if you haven't, and stay vigilant on our site for further intelligence.

Authentic weapons, check! Realistic Army training, check! Subscribers playing first, double check!
